Call first to confirm. These businesses want the oil to be “**clean**” - no water, no antifreeze, no other fluids mixed with it.

Recyclables & Trash

As of April 2, when this flyer was printed, the recycling and trash program was in transition. Ask Town Clerk for update.

Athens has curbside trash pick-up every Monday morning. Trash needs to be placed in Town of Athens bags which can be purchased for \$3.50 each at the Town Office on Mondays between 9:00 am and 1:00 pm or by other arrangement with the Town Clerk, (802) 869-3370.

Recycling is picked up every other week on Monday and is free of charge. Recyclables (paper, aluminum, cardboard, steel, glass, and #1 and #2 hard plastics) need to be clean, dry, and in an appropriate container. For specifics, ask the trash hauler. For recycling dates, contact the Town Office. Both services are open to all residents of Athens.

There are other materials that can and need to be recycled. Items described below are accepted at the Rockingham Transfer Station, 7446 Route 5 (just south of Bellows Falls Union High School) which is open on Mondays, Wednesdays and Saturdays, 8:00 a.m.—1:00 p.m. All vehicles using the facility must display a current access permit which may be purchased at the Rockingham Town Hall.

All kinds of batteries are accepted and recycled **for free** at the Rockingham Transfer Station: AA, AAA, C, D, 9v, hearing aid, watch, and rechargeable batteries.

Fluorescent tubes and bulbs have mercury in them so they need to be disposed of properly. The Rockingham Transfer Station accepts them **for free**.

Televisions, computer monitors, printers, hard-drives, and peripherals are recycled **for free** at the Transfer Station.

Useable, saleable **clothing** is accepted at the SEVCA Good Buy Store at 45 Rockingham Street in Bellows Falls and at the Community Closet Thrift Store in the basement of the Immanuel Episcopal Church, 20 Church St., Bellows Falls.
