Fuel prebuy season is coming up. Janet will call companies again.

Sandi is talking about solar for the elementary school. Matt is talking about a wood heater for the garage. Both might be candidates for grants.

Janet is thinking about getting a grant committee going. Sandi, Dennis M, Janet, Gary Fox, and another person or two. Will need to coordinate with budget committee in the fall so we can budget for matching grants. Janet says we can use ARPA money for matching funds.

Should be able to see what the mud season gravel and stone spending was after the April warrant.

Big truck replacement: Craig hasn't gotten back to Janet yet with any options. Mike thinks we are supposed to replace it this year. Janet thinks the warranty will run out at the end of this year and we won't be able to buy another one for this truck because they won't cover it past 10 years old.
