Town has contracted with DeCamp for trash and recycling

Looking at the budget report..

- Grader — need to update the budget amount 9300 in NEMRC to match the town report

Maintenance of town garage roof

- Has anything been done on it yet?

Inquiring with the Fire department and first responders in Grafton. Would they contract with Athens for fire coverage? Amber brought it up at a meeting

- Grafton doesn't want to take the contract away from Saxtons River without the selectboard talking to Saxtons River first
- Medical would be different because Grafton has two different entities for fire and rescue.
- NH Mutual aid is up \$500 this year. Next year we should put in \$8500 probably
- For now we won't make a change, but if Saxtons River ever wants to change their contract with Athens, we can discuss more

Other business:

- Getting fuel bids for next year?
 - Contract is July-June we think
 - Should be ready to sign by the June selectboard meeting
 - Janet started getting quotes in May next year
 - Janet will take this on again this year
- Reminding the selectboard to start lining up a used big truck?
 - Amber will bring it up at the May selectboard meeting
 - Mike: make sure they know it's a two year process to line one up
- Direct to town Covid funds planning?
 - Ideas for projects that ~\$130,000 could be used for
 - Maintenance of Town Garage

- Bathroom in Garage
- Town Office improvements — vault, or moving to school building and renovations

Next meeting: May 25th
