Calendar discussion...

June 5th event in BF Historic Preservation of Bellows Falls at Opera House

History Fair in Townshend on August 10 from 10-4 pm

Meetinghouse Building as a town building? Sherry suggested we put a proposal to the town to donate the building to the Historical Society if we go into that. Krista said that town would probably present some arguments against it that could possibly be quieted by Right of First Refusal or restrictions on the deed etc. Build up Historic Society to raise the bar and make projects doable and more people aware.

MTAP funds are not available to the Meetinghouse. Sherry put in another inquiry about funds to the Preservation Society to get help for the projects but has not heard from them.
